

Who are we?

The National MLTSS Health Plan Association is an association of managed care organizations (MCOs) that have Medicaid managed care contracts with one or more states and take risk for long-term services and supports (LTSS) provided under Medicaid.

Our organizations serve the majority of MLTSS and the Medicare-Medicaid markets.

Why should your company join our Partnership Program?

Members of our Partnership Program have unique access to our member health plans and opportunities to engage in several levels. Our flexible Program begins with your entry as a Primary Partner and offers additional opportunities through Policy, Educational and Networking Partnerships.

Types of Partnerships

The National MLTSS Health Plan Association offers a flexible Program of Partnership Opportunities that can help improve engagement with our member health plans.

Primary Partnership	Each member of our Program begins with a Primary Partnership that offers exposure to our member health plans and identification as an MLTSS Partner.
Flexible Partnership Opportunities	
Policy Partnership	Members of our Policy Partnership are provided a unique opportunity to have a seat at the table with the leading MLTSS health plans to discuss policy, strategy and improvements in outcomes for the most vulnerable populations.
Educational Partnership	Members of our Educational Partnership are provided an opportunity to demonstrate expertise on topics related to MLTSS member populations.
Networking Partnership	Members of our Networking Partnership are provided an opportunity to engage with our member plans at specific events.

Primary Partnership

As part of the Program, all Partners will:

- Be highlighted on the MLTSS website as a member of the Partnership Program
- Receive the MLTSS logo to be used to highlight inclusion in the Program
- Be promoted to MLTSS member health plans through meeting materials and Association communications
- Receive a monthly update on key Association activities
